

**RAL Color Chart for NOCX Pipes**

We hereby present RAL colors available for our NOCX and NOFX pipes.

We would like to point out that the final appearance may vary due to the monitoring processes.

In addition we can provide metallic effect colors

RAL 9006,9007,1035,1036,9022,9023,7048

Those are impossible to present in this electronic file but on request we can send you a RAL color chart hard copy.
